

NimbusTech Solutions — Employee Handbook

1. Company Overview

NimbusTech Solutions was founded in 2016 in Manchester, UK. The company specializes in building cloud infrastructure tools for small and medium-sized businesses. As of 2026, NimbusTech employs approximately 240 people across offices in Manchester, London, and a remote-first engineering team spread across Europe.

2. Working Hours and Flexibility

Standard working hours are 9:00 AM to 5:30 PM, Monday through Friday, with a one-hour lunch break. NimbusTech operates a flexible hybrid policy: employees are expected to work from the office at least two days per week, with Tuesday designated as a company-wide in-office collaboration day. Remote engineering team members are exempt from the in-office requirement but must overlap with UK working hours for at least four hours daily.

3. Annual Leave Policy

Full-time employees receive 25 days of annual leave per calendar year, in addition to public holidays. Leave requests must be submitted at least two weeks in advance through the internal HR portal. Unused leave of up to 5 days may be carried over into the following year, but must be used by March 31st or it will be forfeited.

4. Probation Period

All new employees undergo a probationary period of three months from their start date. During this period, either party may terminate employment with one week's notice. Performance reviews are conducted at the 6-week and 12-week marks of the probation period, and successful completion is confirmed in writing by the employee's manager.

5. Remote Work Equipment

NimbusTech provides a laptop, monitor, and a one-time home office setup allowance of £300 to all remote and hybrid employees. This allowance can be used for items such as desks, chairs, or additional monitors, and must be claimed within the first 60 days of employment through the expenses system.

6. Performance Reviews

Formal performance reviews are conducted twice a year, in April and October. Reviews are based on a combination of self-assessment, manager feedback, and peer feedback from at least two colleagues. Salary reviews are conducted annually each April, taking performance review outcomes into account.

alongside market benchmarking data.

7. Parental Leave

NimbusTech offers enhanced parental leave: 16 weeks of fully paid leave for the primary caregiver and 6 weeks of fully paid leave for the secondary caregiver, in addition to statutory entitlements. Employees must have been with the company for at least 12 months to qualify for the enhanced policy; otherwise, statutory parental leave applies.

8. Learning and Development Budget

Each employee receives an annual learning and development budget of £500, which can be used for courses, certifications, conferences, or books relevant to their role. Budgets do not roll over between years. Requests over £500 may be approved on a case-by-case basis by the employee's department head.

9. Code of Conduct

All employees are expected to treat colleagues, clients, and partners with respect and professionalism. Harassment, discrimination, and bullying of any kind will not be tolerated and should be reported to HR immediately. NimbusTech maintains a zero-tolerance policy toward any form of workplace harassment.

10. IT and Security Policy

Employees must use company-approved password managers and enable two-factor authentication on all work-related accounts. Company laptops are encrypted by default and must not be used to store personal files. Any lost or stolen equipment must be reported to the IT security team within 24 hours.
